Villa Hakatha holds exclusive sole-distributorship of Shell Engine Lubricant Oil and Hydraulic Oil for the past 15 years in the Maldives. Shell is the world leader in the lubricant market. Shell Lubricants brings world-class technological insights to its products, offering you the best formulations for your vehicle.

Their product portfolio ranges from lubricants for power generation, marine engines, land & heavy engines along with hydraulic and brake fluids for heavy machineries. Shells engine oil adaptive technology gives outstanding wear protection with reduced viscosity for improved fuel economy for your vehicles. Shell lubricants are manufactured from 100% synthetic base stock and high quality additives to achieve higher performance levels than both synthetic technology and mineral oils.
